

# Glogster EDU

Creating an interactive poster

Developed by Urszula Rusiak

# Enjoy Glogster!

- **Glogster** is an interesting way to create an interactive poster
- Elements of the poster (images, textboxes, audio files and music, films from YouTube) can be redirected to web pages containing more information
- You can add comments (as audio files) and background music to your poster

<http://edu.glogster.com>

# Opening an account

First you must open an account. Sign up for a free 7 day trial and then, after 7 days the free account will revert to a free user account for 10 students but you won't have the premium features like classes/projects/portfolios/presentations and some of the graphics will also be limited.

# My first glogster

- Fill out the form on the page, entering your e-mail address, username and password, save the data or remember them 
- Log in and create your first interactive poster

# View of your account after logging

The screenshot displays the Glogster EDU dashboard for a user named ularus Urszula Rusiak from Poland. The dashboard includes a navigation menu with tabs for Glogs, Classes, Students, Projects, Portfolios, Presentations, and Messages. A prominent green button labeled 'CREATE NEW GLOG' is highlighted with a yellow arrow. The user's account shows 4 Glogs and 81 Views. An 'EDUCATOR FREE' badge is visible with the code 74AG89 and an 'UPGRADE NOW' button. A 'Tips & tricks' section provides instructions on finding glogs, using templates, and sharing them. Below this, there are four featured glog thumbnails: 'My cycling', 'Ekologicznie i zdrowo', 'My Cycling 2', and 'Moja Pracownia'. The Windows taskbar at the bottom shows the system time as 11:12 on 2014-10-27.
